GENERAL. This Agreement will automatically terminate upon (a) Your breach of the Agreement, (b) an allegation that you do not have authority to bind your employer to these terms, or (c) Your assertion that an Intel Component, the Materials, or any product based on any Intel Components or the Materials infringes Your patents. These liability limitations are a fundamental basis of our bargain and Intel would not have entered into this Agreement without them. If we have a dispute regarding this Agreement (other than a dispute over misappropriation of trade secrets or breaches of confidentiality obligations), neither of us can file a lawsuit or other regulatory proceeding unless the complaining party provides the other party a detailed notice of the dispute and our senior managers attempt to resolve the dispute. Ownership of the Materials and related intellectual property rights is unchanged. This LIMITED DISTRIBUTION LICENSE AGREEMENT ("Agreement") is a contract between You and Intel Corporation and its affiliates ("Intel"). 9. If we don't resolve the dispute within 60 days after the mediation demand, either of us may begin litigation. You will be liable for your subcontractor's acts or omissions including breach of confidentiality. 9.2 Dispute Resolution. 5. 9.6 Waiver. 3. Upon termination of the Agreement, the licenses to You will immediately terminate and You must cease using the Materials and destroy all copies in your possession and direct Your subcontractors to do the same. Existen muchas licencias de código abierto diferentes, pero todas deben cumplir con la definición de código abierto; en resumen: el software se puede usar, modificar y compartir libremente. Libre para jugar. Esta licencia se usa comúnmente para videojuegos y permite a los usuarios descargar y jugar gratis. 2.3 No Implied License. TERM; TERMINATION; SURVIVAL. Aunque la mayoría de los productos de software de prueba tienen un límite de tiempo, algunos también tienen limitaciones de funciones. De PagoPor lo general, el software o los juegos comerciales se producen para la venta o para fines comerciales. 2.2 Restrictions. 2.4 Feedback. Termination of this Agreement will not terminate the CNDA. Los programas publicados bajo esta licencia se pueden utilizar sin costo para fines personales y comerciales. If you do not agree, do not use the Materials and destroy all copies. 9.1 Assignment. No waiver of any provision of this Agreement will be valid unless in a writing signed by an authorized representative of the waiving party that specifies the waived provision. If You are accepting this Agreement on behalf of or in conjunction with Your work for Your employer, You represent and warrant that You have the authority to bind your employer to this Agreement. Intel requires an accepted license agreement in order to download this file. Intel is not required to maintain, update, or support the Materials. OWNERSHIP. It governs Your use of the Materials. Either party may terminate this Agreement, with 30 days written notice, at any time for any reason. By downloading, installing, or using the Materials, You agree to these terms. Except as authorized in Section 2.1, you must not disclose this information to anyone, including the U.S. government. If it doesn't start, download manually Intel will not be liable to You under any legal theory for any losses or damages in connection with the Materials, including consequential damages, even if the possibility of damages was foreseeable or known. CONFIDENTIALITY. Las demostraciones generalmente no tienen un límite de tiempo (como el software de prueba), pero la funcionalidad es limitada. De PruebaEl software de prueba permite al usuario evaluar el software durante un periodo de tiempo limitado. You must not export, import, or transfer the Materials to any prohibited or sanctioned country, person, or entity. Nothing in this Agreement limits any rights under, or grants rights that supersede, the terms of any applicable open source software license. 7. You may not assign Your rights or obligations under this Agreement without Intel's prior written consent. LIMIT ON LIABILITY. The Materials are subject to export controls under applicable government laws and regulations, including in the U.S. You must comply with applicable laws and regulations, including U.S. and worldwide export regulations. 1.5 "Your Products" means products developed or to be developed by or for You that include an Intel Component executing the Materials. Cada software se publica con un tipo de licencia que se puede encontrar en las páginas del programa, así como en las páginas de búsqueda o de categorías. Después de ese periodo de prueba (generalmente de 15 a 90 días), el usuario puede decidir si compra el software o no. PRIVACY; DATA COLLECTION 8.1 Privacy. Los productos freeware se pueden utilizar de forma gratuita tanto para uso personal como profesional (uso comercial). Código AbiertoEl software de código fuente que cualquiera puede inspeccionar, modificar o mejorar. 10.1 Term. This Agreement begins upon Your acceptance of its terms and continues until terminated under Sections 3 or 10.2. 10.2 Termination. DEFINITIONS. This Agreement is governed by USA and Delaware law without regard to conflict of laws principles. Intel does not license You to make, have made, use, sell, or import any Intel technology or third-party products, or perform any patented invention, even if referenced in the Materials. 1.3 "Materials" means software or other collateral Intel delivers to You under this Agreement. 2.5 Open Source Licenses. A listing of any such third-party software may be in a text file accompanying the Materials. 2. You must maintain all copyright or other proprietary notices in the Materials. 10. 10.4 Survival. If you give Intel comments or suggestions related to the Materials, Intel confidential information provided in connection with this Agreement, or Intel Components, Intel can use them in any way and disclose them to anyone, without payment or other obligations to you. For information about why and how Intel may collect and use information from Your use of the Materials, see Intel is providing the Materials for free and Your use of them is at Your own risk. En algunos casos, toda la funcionalidad está desactivada hasta que se compra la licencia. Any other licenses from Intel require additional consideration. Except for the express license in Section 2.1, Intel does not grant any express or implied licenses to you under any legal theory. I accept the terms in the license agreement I do not accept the terms in the license agreement Your download will begin automatically. Estos son los tipos de licencia más comunes: Los programas gratuitos se pueden descargar de forma gratuita y sin limitaciones de tiempo. Would you like to reconsider? 4. LICENSES. If we can't resolve the dispute in 30 days, either of us may demand mediation and will then try to resolve the dispute with an impartial mediator. 2.6 Third-Party Software. Except for any non-disclosure agreement between you and Intel, this Agreement constitutes the entire agreement, and supersedes all prior agreements, between Intel and You concerning its subject matter. No third party will have any rights under this Agreement. INDEMNITY. 9.7 Entire Agreement. 1.2 "Intel Components" means a hardware component or product designed, developed, sold, or distributed by Intel or its affiliates. 8.2 Data Collection. You must not use the Materials for the development, design, manufacture, or production of nuclear, missile, chemical, biological weapons. 1. You may disclose the Materials to Your subcontractor for its work on Your Products under an agreement preventing the subcontractor from disclosing the Materials to others. 10.3 Effect of Termination. NO WARRANTY. Your use of any third-party software is subject to Your compliance with the license You obtain directly from that third-party. A party's failure or delay in enforcing any provision will not operate as a waiver. The United Nations Convention on Contracts for the International Sale of Goods does not apply. 9.4 Compliance with Laws. Básicamente, un producto se ofrece Free to Play (Freemium) y el usuario puede decidir si quiere pagar el dinero (Premium) por características adicionales, servicios, bienes virtuales o físicos que amplían la funcionalidad del juego. That signed waiver will not constitute a waiver of any other provision. 8. The Materials may include software subject to an open source license, including licenses recognized by the Open Source Initiative (. The Materials are provided "as is," without any express or implied warranty of any kind including warranties of merchantability, non-infringement, title, or fitness for a particular purpose. You will indemnify, defend, and hold Intel harmless from any allegation against Intel arising in connection with Your use of the Materials and You will pay all of Intel's losses, liabilities, and costs (including attorneys' fees) arising from the allegation. This collected information may include product name, product version, time of event collection, license type, support type, installation status, hardware and software performance, and use. 1.1 "Including" means including but not limited to, whether or not capitalized. Except as authorized above, You will not: (a) use or modify the Materials in any other way; (b) reverse engineer, decompile, or disassemble the Materials provided in object form (except and only as specifically required under Section 2.5); or (c) use the Materials to violate or aid in the violation of any international human right. En algunos casos, se pueden mostrar anuncios a los usuarios. Demo los programas de demostración tienen una funcionalidad limitada de forma gratuita, pero cobran por un conjunto avanzado de funciones o por la eliminación de anuncios de las interfaces del programa. Intel respects Your privacy. If any liability is found, Intel's total, cumulative liability to You will not exceed \$100.00 U.S. for all claims arising from or related to this Agreement. 1.4 "You" or "Your" means you or you and your employer and its affiliates, whether or not capitalized. This Agreement and the Materials are Intel confidential information and subject to Your valid corporate non-disclosure agreement with Intel (CNDA). Nothing in this Agreement requires Intel to grant any additional license. If a court holds a provision of this Agreement unenforceable, the court will modify that part to the minimum extent necessary to make that part enforceable or, if necessary, to sever that part. 9.5 Severability. 2.1 License. Except for claims for misappropriation of trade secrets or breach of confidentiality obligations, all disputes and actions arising out of or related to this Agreement are subject to the exclusive jurisdiction of the state and federal courts in Wilmington, Delaware and you consent to personal jurisdiction in those courts. Some downloaded software included in the Materials may generate and collect information about the software and usage and transmit it to Intel to help improve Intel's products and services. All sections except Section 2.1 survive termination of this Agreement. Subject to the terms of this Agreement, Intel grants to You, for the Term, a limited, nonexclusive, nontransferable, revocable, worldwide, fully paid-up license under Intel's intellectual property rights in the Materials, without the right to sublicense, to use the Materials in the development of Your Products, including modifying Materials delivered as source code, and distributing the Materials, including Your modifications, in object form, embedded in or for execution on Your Product and under terms and conditions consistent with Your rights and obligations under this Agreement. 9.3 Governing Law; Jurisdiction. This Agreement will not become effective, or will automatically terminate, in the absence of a CNDA. The rest of the provision remains fully enforceable. The Materials may include pre-release software or algorithms and may not be fully functional.
